Da Nang is one of the most peaceful cities in Viet Nam with a lot of beautiful beaches. This is a wonderful place for those who love seas and enjoy fresh air. Life here is not so busy as that in Ho Chi Minh City. It is not only a beautiful city but also a safe place to live in. Every evening, after work, you can easily catch the sight of families riding to the beach, leaving their motorbikes on the seaside and jumping into the water. They are not afraid of losing their motorbikes. They believe that their vehicles will still be there when they come back. There is no beggar here and the air is fresh. Another good thing is the food. If you love seafood, Da Nang will be the right choice. The food here is very fresh and the price is cheaper than that in Ho Chi Minh City.

beautiful parks. (TH)

Da Nang is one of the most peaceful cities in Viet Nam with a lot of beautiful beaches. This is a wonderful place for those who love seas and enjoy fresh air. Life here is not so busy as that in Ho Chi Minh City. It is not only a beautiful city but also a safe place to live in. Every evening, after work, you can easily catch the sight of families riding to the beach, leaving their motorbikes on the seaside and jumping into the water. They are not afraid of losing their motorbikes. They believe that their vehicles will still be there when they come back. There is no beggar here and the air is fresh. Another good thing is the food. If you love seafood, Da Nang will be the right choice. The food here is very fresh and the price is cheaper than that in Ho Chi Minh City.

Children spent their time playing outside, often engaging in traditional games that didn't require expensive toys or gadgets. Games like hide-and-seek, marbles, and tag were popular. In the evenings, families would gather around the fireplace or sit at the dinner table, sharing stories and experiences.
